

Dianne Fagan, RD, CDN is a Registered Dietitian and Certified Dietitian Nutritionist with 20+ years of experience. She owns and operates ***your kid's dietitian and nutritionist, PLLC.*** a health education business with a mission to provide supportive, interactive and engaging food messages aimed at the prevention and treatment of childhood and adolescent obesity. Dianne earned a Bachelor's of Science in Food and Nutrition from the State University of New York at Plattsburgh and completed her dietetic internship and training at Indiana University Medical Center in Indianapolis. Dianne holds additional certification in Pediatric and Adolescent Weight Management through the American Dietetic Association. Dianne's current work is varied and includes community education and program development for schools and local businesses through Price Chopper Supermarkets and Your Kid's Dietitian and Nutritionist, PLLC. Additionally, Dianne provides nutrition consultation to The Charlton School in Burnt Hills, NY as well as St. Mary's Hospital in Amsterdam, NY.
